## Annapurna Base Camp Trek

### Trip Overview

**The best trek to observe the reflection of Himalayan Mountains..**

This trek offers the opportunity to stand at the base camp of Mt. Annapurna as well as Mt. Machapuchre. The trek leads you to Annapurna Base Camp at the elevation of 4130m traversing through Poonhill. Poonhill is one of the best places to see the view of sunrise and panoramic view of Himalaya.

The trip starts at the cultural hub of Kathmandu where you will see the medieval art and culture. After leaving Kathmandu, you will head towards Pokhara where you will see the nature at its best. You will be spending your time beside and inside some of the lakes and caves.

Your trek begins as soon as you leave Pokhara. You will walk through the Annapurna Conservation Area Project (ACAP) where you will be able to see the some rare floras and faunas. You will walk along the diverse landscape as you climb and descend hills throughout your trek.

You will see the amazing view of mountains including Dhaulagiri, Machapuchre and Annapurna itself. The encounter with ethnic tribes like Gurung, Magar and Thakali will let you gain some knowledge about their culture and lifestyle. Regarding the safety while undertaking this trekking adventure, the entire infrastructures of the trails have been assessed and declared safe.
