## Everest Base Camp Trek

### Trip Overview

**The trek that caters the highest degree of walking adventure from the beginning to its end...**

A thrilling flight to Lukla from Kathmadu will answer all your queries of adventure in Nepal, which will be the commencement of the adventure that goes on for more than a week. Standing below the mighty Everest will give the final highlight to your adventure.

Everest Base Camp trek is a moderate trek that takes you to an elevation of 5545m at Kalapatthar from where you will see the mesmerizing view of Mount Everest. During your trek, you will see get the chance to see other mountains such as Ama Dablam, Cho Yuo, Luptse and Nuptse. The main highlights of this trek are diverse landscape, flora and faunas while you trek through Sagarmatha National Park. This trek offers a close look to the Himalayan Sherpa Culture as you visit to some monasteries in the trials.

The highland monasteries, incredibly hospitable Sherpas and the resilience they despite living in the toughest geographic conditions and the stories of brave mountaineers are the biggest highlights throughout the Everest Base Camp Trek. The trekkers with sound physical condition and passionate walkers can undertake the trek to the colorful base camp of mighty Everest.

Regarding the safety while undertaking this trekking adventure, the entire infrastructures of the trials have been assessed and declared safe.
